Important Notice

Advance Bidding Facility

We advise all clients to take advantage of our easy-to-use advance bidding facility, which provides you with total control over your bids right up to the point that a lot is offered for sale.

Bids made online cannot be seen by others and do not go live until the actual moment that the lot in question is being offered for sale. All bids can be easily altered or cancelled by the bidder prior to this point. An automated email will be sent confirming all bids and alterations.

Please use our website www.dnw.co.uk to register prior to bidding online. There is no additional charge for online bidding.

It is recommended that all bidders execute their own bids, either prior to the auction by using this facility or live as the auction is taking place. We strongly recommend that those following the auction online register to bid at least 10 minutes prior to the start of each session.

Whilst we are still happy to execute all bids submitted in writing or by phone, fax or any other method, it should be noted that all bids left with us will be entered at our offices using the same bidding facility to which all clients now have access. There is, therefore, no better way of ensuring the accuracy of your advance bids than to place them yourself online.

In 1648, following a revolt in the parliamentary fleet, a number of ships went to Helvoetsluys and were organised as a royalist squadron by Prince Rupert. Subsequently Rupert took most of the fleet to Ireland, leaving behind two vessels, one for lack of manpower and the other, the Antelope, because she was mainly disarmed. In April 1649 the Council of State ordered the destruction of the 450-ton Antelope and the following month an expedition under the command of Lt Stephen Rose successfully surprised and burnt the vessel as she lay at anchor, in violation of Dutch territorial waters. Those who participated in the exploit were rewarded with medals and cash prizes. Medals by Thomas Simon were designed and struck in late 1649 (O.S.) and likely issued early in 1650 (Lessen, BNJ 1981, pp.112-13; Platt, pp.339-40)

**Prices Realised**

The hammer prices bid at the auction are posted at [www.dnw.co.uk](http://www.dnw.co.uk) in real time. A full list of prices realised appear on our website as the auction progresses. Telephone enquiries are welcome from 09.00 the following day.
IMPORTANT INFORMATION FOR BUYERS

Absentee Bids
It is recommended that absentee bids are placed using our online advance bidding facility, which is available on our website at www.dnw.co.uk. Bids placed in this way cannot be seen by others and do not go live until the actual moment that the lot in question is being offered for sale. All bids can be easily altered or cancelled by the bidder prior to this point. An automated email will be sent confirming all bids and alterations.

A valid email address is required to bid online.

There is no additional charge for online bidding and it is not necessary to pre-register a payment card in order to do so.

While we are still happy to execute all bids submitted in writing or by telephone, fax, etc., it should be noted that bids left with us will be entered at our offices using the same bidding facility to which all clients have access. There is, therefore, no better way of ensuring the accuracy of your bids than to execute them yourself online.

While online bids can be placed up until the moment a lot is offered for sale, all other bids made to the office must be confirmed in writing, by fax or by email, and should be received by 15:00 on the day before the auction. Although we will endeavour to execute late bids, Dix Noonan Webb Ltd cannot accept responsibility for any bids received later than this.

Commission Form
Further advice to bidders and purchasers may be found on the commission form included with this catalogue. Please use this form when sending bids to us by post or fax.

Buyers’ Premium
A buyers’ premium of 20% on the hammer price (plus VAT if resident in, or lots are delivered within, the European Union) is payable by the buyer of all lots.

Pre-sale Estimates
The pre-sale estimates are intended as a guide for prospective purchasers. Any bid between the listed figures would, in our opinion, offer a fair chance of success. However all lots, depending on the degree of competition, can realise prices either above or below the listed estimates.

All lots are automatically reserved at the bid step which reflects 80% of the lower estimate, unless otherwise instructed by the buyer.

Methods of Payment
All payments must be made in pounds sterling within five days of the end of a sale unless credit terms have been made by prior arrangement.

The best way to make payment is by Visa, MasterCard or American Express credit or debit cards via our website, www.dnw.co.uk. Carriage and insurance is pre-calculated for you, so that you may pay immediately.

Payment may also be made by transfer direct to Dix Noonan Webb’s account at:

Lloyds Piccadilly London Branch

Account No: 00622865
Swift Code: LOYDGB2L
IBAN: GB70LOYD30966400622865

Please include your surname, client code and auction date with the instructions to the bank. Alternative methods of payment which may enable immediate clearance of purchases include cash, recognised banker’s drafts, credit cards (Visa, MasterCard and American Express) and debit cards. Although personal and company cheques are accepted, buyers are advised that property will not be released until such cheques have fully cleared and cannot be subject to recall, which may take two weeks. Third party payment is not accepted, except by prior arrangement.

Please note that we will not accept cash payments in excess of £5,000 (five thousand pounds) in settlement for purchases made at any one auction.

Purchases will be despatched as soon as possible upon full payment in pounds sterling for the lots you have bought. Carriage will be at the buyer’s expense. Estimates and advice on all methods of despatch can be provided upon request.

Insurance cover at the rate of 1.5% will be arranged unless otherwise specified and will be added to the carriage charge for non-UK deliveries.

CONDITIONS OF BUSINESS

1 The buyer
The highest bidder shall be the buyer at the ‘hammer price’ and any dispute shall be settled at the auctioneer’s absolute discretion. Every bidder shall be deemed to act as principal unless there is in force a written acknowledgement by Dix Noonan Webb that he or she acts as agent on behalf of a named principal. Bid will be executed in the order that they are received.

2 Minimum increment
The auctioneer shall have the right to refuse any bid which does not conform to Dix Noonan Webb’s published bidding increments, which may be found at www.dnw.co.uk and in the bidding form included with the auction catalogue.

3 The premium
The buyer shall pay to Dix Noonan Webb a premium on the ‘hammer price’ in accordance with the percentages set out in section 3 above and agrees that Dix Noonan Webb, when acting as agent for the seller, may also receive commission from the seller in accordance with Condition 15.

4 Value Added Tax (VAT)
The buyers’ premium is subject to the current rate of Value Added Tax if the lot is delivered to the purchaser within the European Union.

Lots marked ‘x’ are subject to importation duty of 5% on the hammer price unless re-exported outside the EU.

5 Payment
Immediately a lot is sold the buyer shall:
(a) confirm to Dix Noonan Webb his or her name and address and, if so requested, proof of identity; and
(b) pay to Dix Noonan Webb the ‘total amount due’ in pounds sterling within five working days of the end of the sale (unless credit terms have been agreed with Dix Noonan Webb before the auction). Please note that, as stated above, we will not accept cash payments in excess of £5,000 (five thousand pounds) in settlement for purchases made at any one auction.

6 Dix Noonan Webb may, at its absolute discretion, agree credit terms with the buyer before an auction under which the buyer will be entitled to take possession of lots purchased up to an agreed amount in value in advance of payment by a determined future date of the ‘total amount due’.

7 Any payments by a buyer to Dix Noonan Webb may be applied by Dix Noonan Webb towards any sums owing from that buyer to Dix Noonan Webb on any account whatever, without regard to any directions of the buyer, his or her agent, whether expressed or implied.

8 Collection of purchases
The ownership of the lot(s) purchased shall not pass to the buyer until he or she has made payment in full to Dix Noonan Webb of the ‘total amount due’ in pounds sterling.
9 (a) The buyer shall at his or her own expense take away the lot(s) purchased not later than 5 working days after the day of the auction but (unless credit terms have been agreed in accordance with Condition 7) not before payment to Dix Noonan Webb of the ‘total amount due’.

(b) The buyer shall be responsible for any removal, storage and insurance charges on any lot not taken away within 5 working days after the day of the auction.

(c) The packing and handling of purchased lots by Dix Noonan Webb staff is undertaken solely as a courtesy to clients and, in the case of fragile articles, will be undertaken only at Dix Noonan Webb’s discretion. In no event will Dix Noonan Webb be liable for damage to glass or frames, regardless of the cause.

10 Buyers’ responsibilities for lots purchased
The buyer will be responsible for loss or damage to lots purchased from the time of collection or the expiry of 5 working days after the day of the auction, whichever is the sooner. Neither Dix Noonan Webb nor its servants or agents shall thereafter be responsible for any loss or damage of any kind, whether caused by negligence or otherwise, while any lot is in its custody or under its control after this time. Insurance at the rate of 1.5% will be applied to any lots posted out by DNW unless specifically instructed otherwise by the consignor.

11 Remedies for non-payment or failure to collect purchase
If any lot is not paid for in full and taken away in accordance with Conditions 6 and 10, or if there is any other breach of either of those Conditions, Dix Noonan Webb as agent of the seller shall, at its absolute discretion and without prejudice to any other rights it may have, be entitled to exercise one or more of the following rights and remedies:

(a) to proceed against the buyer for damages for breach of contract.

(b) to rescind the sale of that or any other lots sold to the defaulting buyer at the same or any other auction.

(c) to re-sell the lot or cause it to be re-sold by public auction or private sale and the defaulting buyer shall pay to Dix Noonan Webb any resulting deficiency in the ‘total amount due’ (after deduction of any part payment and addition of re-sale costs) and any surplus shall belong to the seller.

(d) to remove, store and insure the lot at the expense of the defaulting buyer and, in the case of storage, either at Dix Noonan Webb premises or elsewhere.

(e) to charge interest at a rate not exceeding 2 percent per month on the ‘total amount due’ to the extent it remains unpaid for more than 5 working days after the day of the auction.

(f) to retain that or any other lot sold to the same buyer at the sale or any other auction and release it only after payment of the ‘total amount due’.

(g) to reject or ignore any bids made by or on behalf of the defaulting buyer at any future auctions or obtaining a deposit before accepting any bids in future.

(h) to apply any proceeds of sale then due or at any future, becoming due to the defaulting buyer towards settlement of the ‘total amount due’ or to exercise a lien on any property of the defaulting buyer which is in Dix Noonan Webb’s possession for any purpose.

12 Liability of Dix Noonan Webb and sellers
(a) Goods auctioned are usually of some age. All goods are sold with all faults and imperfections and errors of description. Illustrations in catalogues are for identification only. Buyers should satisfy themselves prior to the sale as to the condition of each lot and should exercise and rely on their own judgement as to whether the lot accords with its description. Subject to the obligations accepted by Dix Noonan Webb under this Condition, none of the seller, Dix Noonan Webb, its servants or agents is responsible for errors of description or for the genuineness or authenticity of any lot. No warranty whatever is given by Dix Noonan Webb, its servants or agents, or any seller to any buyer in respect of any lot and any express or implied conditions or warranties are hereby excluded.

(b) Any lot which proves to be a ‘deliberate forgery’ may be returned by the buyer to Dix Noonan Webb within 15 days of the date of the auction in the same condition in which it was at the time of the auction, accompanied by a statement of defects, the number of the lot, and the date of the auction at which it was purchased. If Dix Noonan Webb is satisfied that the item is a ‘deliberate forgery’ and that the buyer has and is able to transfer a good and marketable title to the lot free from any third party claims, the sale will be set aside and any amount paid in respect of the lot will be refunded, provided that the buyer shall have no rights under this Condition if:

(i) the description in the catalogue at the date of the sale was in accordance with the then generally accepted opinion of scholars and experts or fairly indicated that there was a conflict of such opinion; or

(ii) the only method of establishing at the date of publication of the catalogue that the lot was a ‘deliberate forgery’ was by means of scientific processes not generally accepted for use until after publication of the catalogue or a process which was unreasonably expensive or impractical.

(c) A buyer’s claim under this Condition shall be limited to any amount paid in respect of the lot and shall not extend to any loss or damage suffered or expense incurred by him or her.

(d) The benefit of the Condition shall not be assignable and shall rest solely and exclusively in the buyer who, for the purpose of this condition, shall be and only be the person to whom the original invoice is made out by Dix Noonan Webb in respect of the lot sold.

Conditions mainly concerning Sellers and Consignors

13 Warranty of title and availability
The seller warrants to Dix Noonan Webb and to the buyer that he or she is the true owner of the property or is properly authorised to sell the property by the true owner and is able to transfer good and marketable title to the property free from any third party claims. The seller will indemnify Dix Noonan Webb, its servants and agents and the buyer against any loss or damage suffered by either in consequence or any breach on the part of the seller.

14 Reserves
The seller shall be entitled to place, prior to the first day of the auction, a reserve at or below the low estimate on any lot provided that the low estimate is more than £100. Such reserve will be the minimum ‘hammer price’ at which that lot may be treated as sold. A reserve once placed by the seller shall not be changed without the consent of Dix Noonan Webb. Dix Noonan Webb may at their option sell at a ‘hammer price’ below the reserve but in any such cases the sale proceeds to which the seller is entitled shall be the same as they would have been had the sale been at the reserve. Where a reserve has been placed, only the auctioneer may bid on behalf of the seller.

15 Authority to deduct commission and expenses
The seller authorises Dix Noonan Webb to deduct commission at the ‘stated rate’ and ‘expenses’ from the ‘hammer price’ and acknowledges Dix Noonan Webb’s right to retain the premium payable by the buyer.

16 Rescission of sale
If before Dix Noonan Webb remit the ‘sale proceeds’ to the seller, the buyer makes a claim to rescind the sale that is appropriate and Dix Noonan Webb is of the opinion that the claim is justified, Dix Noonan Webb is authorised to rescind the sale and refund to the buyer any amount paid to Dix Noonan Webb in respect of the lot.

17 Payment of sale proceeds
Dix Noonan Webb shall remit the ‘sale proceeds’ to the seller not later than 35 days after the auction, but if by that date Dix Noonan Webb has not received the ‘total amount due’ from the buyer then Dix Noonan Webb will remit the sale proceeds within five working days after the date on which the ‘total amount due’ is received from the buyer. If credit terms have been agreed between Dix Noonan Webb and the buyer, Dix Noonan Webb shall remit to the seller the sale proceeds not later than 35 days after the auction unless otherwise agreed by the seller.

18 If the buyer fails to pay to Dix Noonan Webb the ‘total amount due’ within 3 weeks after the auction, Dix Noonan Webb will endeavour to
notify the seller and take the seller’s instructions as to the appropriate course of action and, so far as in Dix Noonan Webb’s opinion is practicable, will assist the seller to recover the ‘total amount due’ from the buyer. If circumstances do not permit Dix Noonan Webb to take instructions from the seller, the seller authorises Dix Noonan Webb at the seller’s expense to agree special terms for payment of the ‘total amount due’, to remove, store and insure the lot sold, to settle claims made by or against the buyer on such terms as Dix Noonan Webb shall in its absolute discretion think fit, to take such steps as are necessary to collect monies due by the buyer to the seller and if necessary to resind the sale and refund money to the buyer if appropriate.

19 If, notwithstanding that, the buyer fails to pay to Dix Noonan Webb the ‘total amount due’ within three weeks after the auction and Dix Noonan Webb remits the ‘sale proceeds’ to the seller, the ownership of the lot shall pass to Dix Noonan Webb.

20 Charges for withdrawn lots
Where a seller cancels instructions for sale, Dix Noonan Webb reserve the right to charge a fee of 15 per cent of Dix Noonan Webb’s then latest estimate or middle estimate of the auction price of the property withdrawn, together with Value Added Tax thereon if the seller is resident in the European Union, and ‘expenses’ incurred in relation to the property.

21 Rights to photographs and illustrations
The seller gives Dix Noonan Webb full and absolute right to photograph and illustrate any lot placed in its hands for sale and to use such photographs and illustrations and any photographs and illustrations provided by the seller at any time at its absolute discretion (whether or not in connection with the auction).

22 Unsold lots
Where any lot fails to sell, Dix Noonan Webb shall notify the seller accordingly. The seller shall make arrangements either to re-offer the lot for sale or to collect the lot.

23 Dix Noonan Webb reserve the right to charge commission up to one-half of the ‘stated rates’ calculated on the ‘bought-in price’ and in addition ‘expenses’ in respect of any unsold lots.

General conditions and definitions

(b) Dix Noonan Webb declares itself to be a trustee for its relevant servants and agents of the benefit of every indemnity under these Conditions to the extent that such indemnity is expressed to be for the benefit of its servants and agents.

30 Any notice by Dix Noonan Webb to a seller, consignor, prospective bidder or buyer may be given by first class mail or airmail and if so given shall be deemed to have been duly received by the addressee 48 hours after posting.

31 These Conditions shall be governed by and construed in accordance with English law. All transactions to which these Conditions apply and all matters connected therewith shall also be governed by English law. Dix Noonan Webb hereby submits to the exclusive jurisdiction of the English courts and all other parties concerned hereby submit to the non-exclusive jurisdiction of the English courts.

32 In these Conditions:
(a) ‘catalogue’ includes any advertisement, brochure, estimate, price list or other publication;
(b) ‘hammer price’ means the price at which a lot is knocked down by the auctioneer to the buyer;
(c) ‘total amount due’ means the ‘hammer price’ in respect of the lot sold together with any premium, Value Added Tax chargeable and additional charges and expenses due from a defaulting buyer in pounds sterling;
(d) ‘deliberate forgery’ means an imitation made with the intention of deceiving as to authorship, origin, date, age, period, culture or source which is not shown to be such in the description in the catalogue and which at the date of the sale had a value materially less than it would have had if it had been in accordance with that description;
(e) ‘sale proceeds’ means the net amount due to the seller being the ‘hammer price’ of the lot sold less commission at the ‘stated rates’ and ‘expenses’ and any other amounts due to Dix Noonan Webb by the seller in whatever capacity and howsoever arising;

(g) ‘expenses’ in relation to the sale of any lot means Dix Noonan Webb charges and expenses for insurance, illustrations, special advertising, packing and freight of that lot and any Value Added Tax thereon;
(b) ‘bought-in price’ means 5 per cent more than the highest bid received below the reserve.

33 Vendors’ commission of sales
A commission of 15 per cent is payable by the vendor on the hammer price on lots sold.

34 VAT
